

Press release no. 13/2019

“Liability Management” approval from the Board of Directors.

Mexico City, November 22nd, 2019.- Elementia, S.A.B. de C.V. (BMV: ELEMENT*) (“the Company”, or “Elementia”), announced that its Board of Directors through resolutions adopted on November 15th approved that the Company’s Management continues necessary or convenient steps towards reduction and/or redemption of certain relevant liabilities. Once those tasks have been concluded, the Company will inform our investors.

About Elementia

Elementia is a unique platform that manufactures and commercializes building materials for the construction industry and adds value to all stages of this industry. The Company has grown, both organically and through strategic mergers and acquisitions, consolidating operations in 9 countries in the Americas, showing strong growth in its Cement business unit, while maintaining its leadership in the Metals business, and through our Building Systems unit, we offer lightweight construction products, which is the main building trend in the market. This has been possible thanks to the passion and dedication of its more than 6,000 employees and the leadership of its main brands, including: Cementos Fortaleza®, Giant®, Keystone® and Dragon®; Nacobre®; Allura®, Mexalit®, Plycem®, Eternit®, Duralit® and Fibrforte®, among others.
