

## **Press release. Follow up COVID 19 (Coronavirus) - Elementia**

---

**Mexico City, march 30th, 2020.-** Elementia, S.A.B. de C.V. (BMV: ELEMENT\*) (“the Company”, o “Elementia”), announces the investor community that, in continuity with the required preventive measures to avoid the spread and proliferation of the COVID 19 and in line with government guidelines we have decided to stop operations in El Salvador and Colombia.

The expected date to continue operations is next April 13th. However, it may be modified based on the successful virus containment.

Regarding operations in the United States of America, its government has declared our industry as essential. Therefore, we do not foresee the temporary closure of operations. In addition, we maintain all necessary sanitary measures to minimize the probability of spread.

### **About Elementia**

Elementia is a unique platform that manufactures and commercializes building materials for the construction industry and adds value to all stages of this industry. The Company has grown, both organically and through strategic mergers and acquisitions, consolidating operations in 9 countries in the Americas, showing strong growth in its Cement business unit, while maintaining its leadership in the Metals business, and through our Building Systems unit, we offer lightweight construction products, which is the main building trend in the market. This has been possible thanks to the passion and dedication of its more than 6,000 employees and the leadership of its main brands, including: Cementos Fortaleza®, Giant®, Keystone® and Dragon®; Nacobre®; Allura®, Mexalit®, Plycem®, Eternit®, Duralit® and Fibrforte®, among others.
