

Press release COVID 19 (Coronavirus) - Elementia

Mexico City, march 20th, 2020.- Elementia, S.A.B. de C.V. (BMV: ELEMENT*) (“the Company”, o “Elementia”), announces to the investor community that, in response to the global pandemic declared by WHO (World Health Organization), we are taking the required preventive measures to avoid the spread and proliferation of the COVID 19.

Accordingly, our Crisis Committee, has determined the implementation of home office in all our administrative areas for the 8 countries in which we have operations. This measure applies from March 17th until further notice. However, Peru, Bolivia and Ecuador are implementing more aggressive strategies, therefore, we have decided to be supportive with government measures and stop productive operations in these countries.

About Elementia

Elementia is a unique platform that manufactures and commercializes building materials for the construction industry and adds value to all stages of this industry. The Company has grown, both organically and through strategic mergers and acquisitions, consolidating operations in 9 countries in the Americas, showing strong growth in its Cement business unit, while maintaining its leadership in the Metals business, and through our Building Systems unit, we offer lightweight construction products, which is the main building trend in the market. This has been possible thanks to the passion and dedication of its more than 6,000 employees and the leadership of its main brands, including: Cementos Fortaleza®, Giant®, Keystone® and Dragon®; Nacobre®, Allura®, Mexalit®, Plycem®, Eternit®, Duralit® and Fibrforte®, among others.
